In the above-mentioned article, the authors have noted that the number presented in Figure 1 for “References or Abstracts Excluded” is incorrect. The number of “References or Abstracts Excluded Since Not Relevant or Met Exclusion Criteria” should be 254, instead of 207. The corrected figure appears below. The authors apologize for this oversight.

doi: 10.1016/j.jclinepi.2008.05.005
